A welcome this afternoon to the directors, staff, players and supporters of Barnet with a personal welcome to Ray Clemence, Gary Phillips and my old mate Terry Bullivent.

I am writing this column on Wednesday morning twelve days into my new job and I have already experienced a credible draw, a good win and a bad defeat, honour, pride, elation, joy, amazement and finally the sadness at not being able to give you fans a third round tie with a Premier League side. The amazement to me was the scoreline at Walsall. I think all our fans were also amazed that instead of coming in at half time leading, we were actually 2 - 0 down. The first twenty minutes of the second half was the same, we hit the bar and had all the pressure, I just feel that Walsall's final pass, cross or shot was of better quality than ours which we paid for in the last twenty five minutes.

They say a week is along time in politics. I'd say twelve days is a lifetime in football. The emotion and passion that this game generates is intense, but my lasting memory from these twelve long days was our fans out singing and chanting the Walsall fans when we were 4 - 0 down.

YOU ARE INCREDIBLE

Gary.

FROM THE SECRETARY

With Audrey Shaw

Once again this week you have proved what marvellous support there is at the Club. Where else in the Third Division would you find 2,200 people travelling down the Motorway on a Tuesday night with appaling weather conditions and stuck in traffic congestion. Even when we were 4 - 0 down the atmosphere generated by your tremendous vocal support was a credit to everyone connected with Preston North End Football Club. Not only the case for First Team games but also on our Pontins League game on Monday evening when 818 people turned out on a bitter cold night to support our reserve team. You really are something special and I would like to thank you all for your marvellous support.

This week saw us sign young David Lucas on professional terms. David joined us in the summer as a Youth Trainee and has made a great impression on everyone. I'm sure that this young man has a great future ahead of him and I would like to wish him every success for his professional career.

The youth team sadly failed to complete the triple over arch rivals Blackpool in the F.A. Youth Cup but can still keep their hopes alive in the Lancashire Youth Cup when they take on Manchester City at Maine Road, the date for this has still to be finalised, but looks likely to be early in the New Year.

On behalf of everyone at Deepdale

I would like to take this opportunity to wish you all a very Happy Christmas and we will see you at 3.00pm Boxing Day.

Audrey Shaw
Secretary.

FROM THE RULEBOOK

By arrangement with the Football Association, a series of articles has been produced which it is believed will make a suitable inclusion in Preston's match day programme. It is hoped these will be of assistance to spectators in their better understanding of certain aspects of the laws of the game.

SECRETARY
THE FOOTBALL LEAGUE

OFFSIDE - *understanding the new guidelines.*

The new guidelines circulated by FIFA to all National Associations and Referees have certainly resulted in more goals being scored during the early matches this season.

Spectators have generally been swift to welcome fewer 0 - 0 drawn matches and been pleased to be able to applaud goals being scored through skilful play arising from players being more able to hold and dribble the ball much more safely. This season, players have been protected more securely from foul, violent tackles from behind and, also not been needlessly denied exciting goals scored, even when teammates have been standing in off-side positions but, more importantly, when those teammates have not been committing an off-side offence.

In the past there was always a perceived tendency to find in favour of the defence when a marginal off-side decision was being made. the old philosophy of " Rather have a doubtful off-side punishment than allow a doubtful goal" has been replaced with a new emphasis on moving any fine balance slightly in favour of the attacking player.

The mood to encourage attacking play actually started in 1991 when Law XI (Off-side) was amended marginally, so that a player level with the second last defender (the goalkeeper normally being the last defender) became NOT off-side. Prior to 1991, "level" was off-side!

In recent World Cup and now in our domestic season, Referees and Linesmen have been instructed to recognise more strictly that a player commits an off-side offence only if seeking to gain an advantage by being in his location or by interfering with play or with an opponent, in relation to the area of the field in which there is "active play".

An existing International FA Board decision relating to the Off-side Law has always made clear to Players and Referees alike that "off-side shall not be judged at the moment the player in question receives the ball, but at the moment when the ball is passed to him by one of his own side".

An indication of the region of "active play" is clearly helpfully given by thinking of the area on the field into which "the ball is passed to him". As a result, Players and Spectators can be assured that if a player on the left hand side of the field is (only) in an off-side position and the ball is passed to a teammate in an on-side position on the right hand side of the field, no Linesman should raise his flag merely to indicate that, on the left, a Player is situated in an off-side position. Play should proceed and the attack, down the right, should continue uninhibited.

Of course, as any off-side judgement is made solely in terms of the relative positions of players "at the moment the ball is played", a player who is not in an off-side position when one of his colleagues passes the ball to him, also does not, therefore, become off-side if he goes forward into an off-side position during the flight of the ball.

However, in order to know accurately the direction, trajectory and speed of the ball after t has been played (in order to determine the area of "active play") a linesman must certainly delay his judgement of off-side (or not) for a couple of seconds and spectators should not misunderstand any minor delay in his adjudicating and perhaps consider it to be a sign of indecision. That slight pause before waving the flag (or deciding not to wave) is more likely to ensure a correct off-side judgement.

The FIFA guideline is very clear in terms of that fine balance, mentioned earlier, which has now been moved towards attacking play. It spells out, quite specifically, that "if a linesman is in any doubt as to whether a player is off-side (active area position) or not, he should decide in favour of the attacker, in other words, he shall refrain from signalling off-side".

These observations should assist readers in understanding a little more the new guidelines and the philosophy of encouraging more attacking play, more excitement and (hopefully) more goals in Season 1994/95.

Enjoy the play and understand the linesman's position! A slight delay in signalling is a positive contribution to ensuring a more accurate decision.

Ken Ridden
(The Football Association).

A BRIEF HISTORY

BARNET Football Club was formed in 1888 and first played in the Olympian League before moving in 1897 to the London League - the Division Two title of which was won at the first attempt. Barnet's first ground was at Queens Road where they stayed for thirteen years, then, in 1901, the club moved to a ground in nearby Totteridge Lane.

Five years later, 1906, Barnet amalgamated with Barnet Alston Works and as Barnet Alston FC the London League Division One championship was won in 1906/07. The start of the following season saw the club at another new ground as they moved to the site of their present home, Underhill. The first match was against Crystal Palace on 7th September ,1907.

In 1912, Barnet Alston became founder members of the Athenian League. The league closed down during the Great War and upon the cessation of War the club dropped Alston from its name. The club remained as members of the league up until 1965, winning the championship on seven occasions and finishing as runners up six times during this period.

Whilst members of the Athenian League, Barnet won the FA Amateur Cup with a 3-2 victory over Bishop Auckland at Stamford Bridge in 1946 in front of a crowd of 53,802. Two years later Barnet were back in the Final but this time lost 1-0 to Isthmian League side Leytonstone. The Final was again staged at Stamford Bridge with 59,605 spectators in attendance. By the time of their third, and last, appearances in the Final in 1959, the venue had been switched to Wembley. This time 60,000 people saw the Bees lose 3-2 to Crook Town.

Barnet turned professional in 1965 and moved from the Athenian League to the Southern League where they remained until the formation of the Alliance Premier League (now known as the Vauxhall Conference League) in 1979. As members of the Southern League, Barnet won both the Division One and Division One South championships along with the League Cup. Barry Fry was appointed manager in time for Barnet's move into the Alliance Premier League and despite an often heated and strained relationship with then club chairman, he guided the club to sustained success although a place in the Football League eluded Fry and his team until the GM Vauxhall Conference League title was finally secured in 1991. Three times previously Barnet had finished as runners up.

The following season, 1992/93, Barnet clinched promotion to Division Two but inner turmoil at Underhill came to the fore at the end of the season with the resignation of Barry Fry .Following damaging disclosures concerning the clubs finances, virtually all the playing staff deserted Underhill with the efforts of Gary Phillips being vital for the continued existence of the Bees. Against such a background that the club were relegated last season came as a shock to few.

BETWEEN THE STICKS

GARY PHILLIPS ... Born in St. Albans on 20th September 1961, Gary is now in his Testimonial Year at Underhill. As a schoolboy, Gary represented England and then signed for West Bromich Albion during the 1979 - 80 season. During the early 1980's Gary drifted into non-league football with Barnet before getting a break into the League with Brentford. He made his full League debut for the Bees in 1984 and went on to make over 140 appearances in 4 seasons at Griffin Park. After spells with Reading and Hereford, Gary returned to Barnet in December 1989 for a fee of £12,000 and, over the past couple of seasons, has been a regular between the sticks.

PAUL NEWELL ... Former Southend United trainee who, after completing his apprenticeship at Roots Hall spent 3 seasons there as a professional. In August 1990 Paul made the short move to Leyton Orient for £5,000 and made over 60 appearances for the O's, the majority of which were made last season. The 25 year old keeper joined Barnet during the close season on a free transfer and a couple of weeks ago made his full League debut for the Bees versus Darlington in the 1 - 0 win.

LEADING FROM THE BACK

DAVID McDONALD ... David joined Barnet on a free transfer from Peterborough United in March 1994. The 23 year old Dublin born defender started out at Tottenham Hotspur as a trainee but had to wait until a loan move to Gillingham in 1990 before making his League debut. He returned to White Hart Lane, made 2 first team appearances and then went out on loan to Bradford City and Reading to gain valuable League experience. He made a permanent move to Peterborough in August 1993 and made 28 full League appearances before his transfer to Underhill. David has won international honours for Eire at Youth, Under - 21 and "B" levels.

ALAN WALKER ... Experienced defender who made his League debut in 1983 - 84 season for Lincoln City after spells with Stockport County and Telford United. He made 74 appearances for the Imps before a £32,500 move to Millwall (92 appearances) and later a £50,000 transfer to Gillingham (150 appearances). In September 1992 he signed for Plymouth on a free transfer but appeared in just 2 matches before another move, this time to Mansfield Town. He joined Barnet at the beginning of last season and only missed a handful of games. Born in Mossley, Alan is celebrating his 35th birthday today!

Peter Scott
Captain

BARNET FOOTBALL CLUB

MARK NEWSON ... Mark is in his second season at Underhill following a free transfer from Fulham in August 1993. The Stepney born defender has clocked up more than 300 League appearances in his 16 year career. he gained most of his experience during his 5 seasons with Bournemouth and also at Fulham where he spent the early 1990's. Mark captained the Barnet side last season, making 29 appearances, scoring twice. He was sidelined at the beginning of this season with an ankle injury but has now regained his place in the side.

LINVOY PRIMUS ... Stratford born defender who was signed during the close season from Charlton Athletic on a free transfer. Linvoy made 4 League appearances for Charlton along with a couple of substitute appearances in cup competitions over 2 seasons. The 21 year old saw his move to Barnet as an opportunity to get regular League football - and he has done just that! He came into the side when Mark Newson injured his ankle in the Coca Cola Cup first round match versus Leyton Orient back in August and has not missed a match since.

ROBERT MUTCHELL ... 20 year old defender who has made a couple of appearances this season. Robert joined Barnet in December 1993 from Oxford United, the club he had joined as a trainee. Born in Solihull, the youngster was unable to break into the first team at Oxford and so did not hesitate in joining Barnet. He made his debut in a thrilling 4 - 4 draw against Hull City the day after signing and played most of the remaining matches of last season.

MEN IN THE MIDDLE

CARL HODDLE ... Like his brother Glenn, Carl is a former Tottenham Hotspur apprentice. Where his brother went on to spend 13 seasons at White Hart Lane, Carl drifted into non-league circles. In July 1989 Leyton Orient paid Bishop Stortford £10,000 for his services and gave him his League debut. Two years later he signed for Barnet on a free transfer to begin his third spell with the Bees, after previously having played for them in the Vauxhall Conference. The 27 year old has been an ever-present in the Barnet side this term to date playing consistently well in midfield.

MICHAEL TOMLINSON ... Born and bred in London, Michael has spent all of his football career so far in that area. The 22 year old signed for Leyton Orient on leaving school and made his debut in the 1990 - 91 season versus Wigan and scored the equalising goal in the match. In January 1994 he went on loan to local non - league side St. Albans City and was spotted by Barnet who then snapped him up on a free transfer in March. Described as a quick wide midfielder, much is expected of the youngster. At the time of writing, Michael has been involved in the majority of matches.

PETER SCOTT ... 31 year old Peter has spent the majority of his career to date with Fulham where he began as an apprentice. He signed professional forms with the Cottagers the day after his 18th birthday in 1981 and remained at Craven Cottage for 11 years appearing in over 270 League matches, scoring 27 goals. In August 1992 Peter joined Bournemouth on a free transfer (9 League appearances) before his move to Underhill in November 1993. At the start of the season the Notting Hill born midfielder was appointed captain, but was forced to miss the early matches through injury. Peter returned to action versus Scunthorpe in mid-September and has appeared in the majority of matches since.

PAUL WILSON ... Paul is now in his seventh season at Underhill after joining the club from non-league Barking in March 1988. The 30 year old played a part in the Championship winning season of 1990 - 91, where Barnet clinched the GM Vauxhall Conference title, and has played in over 250 games for the Bees. London born Paul has only missed a couple of matches to date this season.

THE BEES

IN ATTACK

LEE HODGES ... Former England Youth International Lee joined Barnet on a free transfer during the close season from Premiership Tottenham Hotspur. The 21 year old was a regular member of the reserve team at White Hart Lane and also gained valuable experience on loan at Plymouth in February in 1993, and Wycombe in December 1993. Lee also made 4 first team appearances while at Spurs during the 1992 - 93 season. This season has seen Lee play in all matches upto the F.A.Cup first round 4 - 4 draw with Woking but he has been missing from the line up in recent weeks.

DOUGIE FREEDMAN ... Glasgow born Dougie must be one of the bargains of the season! The 20 year old joined Barnet in July 1993 on a free transfer from QPR where he began as a trainee. Dougie spent 3 seasons at Loftus Road but was unable to break into the first team. He made his League debut for Barnet on the opening day of the season versus Scunthorpe, and scored his first goal in professional football versus Orient in the Coca Cola Cup. Over the first 9 matches, Dougie averaged a goal a game including one versus Preston in August and a sensational four goal spree in the 6 - 2 win over Rochdale in September. Dougie's excellent form has been noticed at the highest level with the youngster recently receiving a Scottish Under - 21 call up. So far this season, Dougie has played in every match and has scored 15 goals.

MARK COOPER ... Mark is now with his fifth League club after arriving at Underhill in July 1994 from Leyton Orient. Born in Watford, Mark signed for Cambridge United as an apprentice and made his League debut in the 1983 - 84 season. He had a short spell with Tottenham before joining Gillingham in a deal worth £105,000 in October 1987. After making almost 50 League appearances, Mark made the short trip to Leyton Orient where he spent 5 seasons playing in 150 League matches, scoring 45 goals. He began his Barnet career in impressive style with 5 goals in 8 matches, but was unfortunately sidelined for a few matches through injury. Mark is now back in the side and recently scored a brace in the 4 - 4 F.A.Cup thriller versus Woking.

GERARD McMAHON ... Celebrating his 21st birthday just after Christmas is Gerard McMahon, a recent loan acquisition from Tottenham Hotspur. born in Belfast, Gerard has spent two seasons at White Hart Lane but at present is unable to gain a regular first team place and has come to Barnet to taste League and F.A.Cup action. He made his League debut for Barnet in October versus Carlisle and since then has appeared in all matches at the time of writing, scoring 3 goals. McMahon is said to have put in some very impressive performances in recent weeks.

All facts correct as at 6th December 1994.

BARNET

Last season Barnet were everybody's "Whipping Boys" having a torrid time in the second division and being relegated with one of the worst defences in the league. This season was expected to be no different, however manager Ray Clemence brought in new faces, and although early results did not show much improvement, since Barnet beat Preston they have improved considerably and are currently lying in fourth place in The League. Doug Freedman, a summer signing from QPR is currently the league divisions leading scorer with 16 goals.

Age:- 23
Height:- 6ft
Weight:- 11st, 7 lbs.

PREVIOUS CLUB
PORTVALE
SIGNED FOR PRESTON NORTH END
1st JULY 1993 (FREE TRANSFER)

Do you have a nickname at the club?
Not a proper one. I'm usually known as "Kiddo" by the lads.

How did Port Vale spot you?
I used to play for a local Sunday League team called St.William's, in Bolton. We played a Port Vale team, I was spotted and things just went from there.

Did you always want to be a footballer?
Yes, always. I never really considered anything else. I wasn't brilliant at schoolwork and I enjoyed football, so this was the job I always wanted really.

What made you decide to sign for Preston?
I was on a free transfer at the time and Preston North End struck me as a big club and it was close to home, so I saw it as a good move. Walsall, Darlington and Scarborough spoke to me, but Preston were the only club to offer me a contract.

You were originally signed for Preston by Les Chapman. What differences in training did you notice when John Beck took over?
Training was a lot different, tactically. The new style was a lot faster and more direct. Training was also a lot longer and harder.

Who is your regular room-mate and what annoying habits does he have?
Lee Cartwright. He's got loads of habits. He's always blow drying his hair and he leaves his heated rollers all over the floor!

You have played in several positions since you came here. Which position do you prefer and why?
I think probably left back because I feel I had my best season there last year. I always used to play at centre-half, but I prefer playing at left back now.

Are there any positions which you haven't played in that you would fancy a crack at?
I wouldn't mind a go at centre forward. I'd like to see what it's like to try and score goals. I don't think I'd do very well though!

Have you any bad habits or vices that you'd like to confess?
No I think I'm a perfect role model to be honest!

Do you ever get any fan mail?
I've had a few letters, usually from people sending compliment and good luck messages, birthday cards, just that sort of stuff. I think the weirdest thing I ever got was when I was at Port Vale and someone in Zimbabwee wrote asking for kit, boots and footballs.

Who did you support as a lad?
My dad was always a big Bury fan and he used to take me to Gigg Lane quite often. He's been converted now though, he always comes to watch me play.

What do you consider to be your main strengths within the game?
My tackling and generally my overall defending.

What aspects would you most like to improve upon?
My passing and I'd have to say my goalscoring as well.

You scored your one and only goal against Wycombe last season. What do you remember of that?
I just remember a big scramble in the penalty area and the ball bouncing up above the keeper's head. I swung my leg at it as hard as I could and the ball somehow bobbled over the line. As everyone ran back towards the centre circle, Gareth Ainsworth tried to claim it, but I told him to get lost in no uncertain terms!

Which North End player would you least like to be stuck in a lift with and why?
I can think of one or two but I'd say Greg Challender, especially if we were stuck at the top. Greg's scared of heights. I discovered that when we were at Catterick Army Camp. Greg got stuck on top of a cliff and wouldn't come down!

What has been the highlights of your career so far?
The play-off game against Torquay last season and getting to Wembley, as well as being offered a professional contract at Port Vale.

And the most depressing moment?
Losing at Wembley and not playing well there, which made it even worse. I'd have to admit the occasion really got to me. I felt ill before the game. The "all or nothing" nature of the game and the pressurised build up made things difficult. I think I would handle the situation much better if I went there again, I think I learnt from the experience.

How do you spend you spare time away from the game?
Beating Gareth Ainsworth at table tennis. It's not that I'm good or anything, he's just useless!

What has been your most embarrassing moment on the pitch?
When we played Hereford at home last season, I tried a scissor kick from three yards in front of a virtually open goal. It should have been my first Preston goal but I missed the ball completely and pulled my groin in the process!

Have you ever played in Potteries "derby"?
Only in the reserves, but there was still an unbelievable atmosphere. We normally got a crowd of 3 or 4 thousand.

How do you remember your first PNE/Blackpool game?
Warming up while Blackpool fans hurled abuse and spat at me, then coming on in the twenty first minute at left back. I didn't realise the magnitude of rivalry between the clubs - it only really sunk in after the F.A. Cup ties last month.

What's Father Christmas bringing you this year?
Hopefully the three quid I lent to Greg Challender about twelve months ago!

Who provides the dressing room music?
Mark "Dodgy Music" Sale always brings his '80's tunes with him, which aren't too good and Steve Holmes always wants his Val Doonican tape playing, to get him motivated.

Finally Ryan, is there anything you'd like to say to the fans?
Just to keep on behind us. I'm sure success will arrive soon if they do.

By Martin Breen.

ROUND DIVISION THREE

NEWS ON THREE
With Mike Payne

Much was made of the Tartan connection that had such a say in North End's win over Bradford last weekend. To many of the older fans it would have brought back many memories of our bygone days when the club had such a large Scottish contingent. Kevin Magee, (how good to see him scoring after the wretched luck he has experienced since he has been at Deepdale), Mike Conroy and Ian Bryson became the latest additions to a long tradition of Scottish born North End scorers. It was a boost to Gary Peters in his quest for league points to close the gap on leaders Carlisle. The Cumbrians carried on their impressive run with a 1 - 0 home win against Torquay, Rod Thomas scoring the twelfth minute winner but 1 - 0 hardly reflected Carlisle's dominance.

Carlisle increased their lead at the top as Bury could only draw at home to Exeter, although the meanest defence in the league at least did their job again. Bury have now conceded just six goals in their 18 league games to date, an incredible record. Meanwhile the other challengers are snapping at the heels of the top two. Barnet beat Scarborough 3 - 1 with Dougie Freedman again amongst their scorers, although it was his first goal since bonfire night. North End will have to watch him today as well as Mark Cooper who also scored against Scarborough. Barnet closed the gap on third placed Doncaster who could only manage a goalless draw at Northampton.

At the bottom end of the table, ex North Ender Mark Leonard scored Wigan's goal in their 1 - 0 win at Gillingham, a win that enabled the Latics to leapfrog over their Kentish opponents. Hartlepool's 2 - 1 win at Darlington was also crucial as it

TONY ELLIS

meant they are now level on points with their local neighbours. Former cup final hero Keith Houchen is still a hero, at least with the Pool's fans as it was his goal which proved the winner. Elsewhere the fine away record of Walsall continued with a 1 - 1 draw at Lincoln whilst Hewitt of Chesterfield joined our own Ian Bryson as the only two goal men of the day.

Hat-tricks: Carter (Bury), Freedman (Barnet, who scored four v Rochdale), Lightbourne (Walsall), Stallard (Fulham) and Lyons (Wigan).

Leading Scorers: 16 - Freedman (Barnet), 15 - Reeves (Carlisle), 12 - Carter (Bury), 11 - White (Hereford), 10 - Whitton (Colchester).

Carlisle's unbeaten run is now ten games whilst Scarborough have now not won for fourteen matches.

Apart from already mentioned Mark Leonard, other ex-North Enders in the news included Ronnie Jepson with his 13th goal of the season for Huddersfield at Wycombe, who seem to be able to walk on water at the moment. Steve Woods let in a bizarre own goal to give bottom club Aberdeen a win over his championship chasing side Motherwell. And by the way, all the reports I read now refer to him as Stephen not Steve! Tony Ellis scored two more for Blackpool whilst Mark Patterson scored the quickest goal of the day for Bolton in their 1 - 0 win at Bristol City. And being really silly and carrying this ex-PNE thing to the Premier Division, we had an Atkins scoring for Blackburn, a Worthington scoring for Leeds and Archie Gemmill's son scored for Forest. Finally, Ian Nolan scored for Sheffield Wednesday and he also had a North End connection. You want a connection? Then I'll find you one!

May I take this opportunity to wish all North End fans a very Happy Xmas and a prosperous lottery winning New Year!

THEY PLAYED FOR BOTH CLUBS

STEVE BERRYMAN

Stan Flashman, Barry Fry & John Beck are names more suited to Only Fools and Horses. Fancy playing under that lot, trusting Del Boy himself would have been easier. Yet, Steve Berryman has the distinction of playing for all three of the larger than life characters. Having previously played for Hartlepool and Exeter Steve then joined John Beck at Cambridge to sample at first hand the long ball, long grass and cold showers. Berryman remembers the script well; you get the ball into so called danger areas as often as possible and goals will follow. It was proved (according to the Cambridge statistician) that these parts of the pitch tended to lead to goals. The groundsman at the time was told to let the grass grow in the corners but to keep it short and rutted in the centre of the pitch so as the opposition couldn't knock the ball around.

From Cambridge Steve moved on to join the country duo of Flashman & Fry at Barnet. Steve recalls that "Stan the man" for one, didn't like putting his hand in his pocket. "We'd just come into the league, had a good bunch of lads but the next news was we were all on a free transfer (Four weeks without wages and you are entitled to a free transfer). What was a good team broke up overnight with many of the better players finding other clubs."

STEVE BERRYMAN

Yet Steve says he still enjoyed his stay, even without a wage packet, at Underhill and has the distinction of playing in Barnet's first ever Rumbelows cup game (now the Coca-Cola Cup). His only other appearances saw Barnet go down 1-0 to high flying Wycombe Wanderers in non-leagues equivalent of the Charity Shield.

With his sanity just about intact Steve then decided to move into non-league football. After a short spell at Altrincham Steve moved on to our new neighbours. Bamber Bridge. While he was at the 'Brig' he was asked by Mr.Beck if he could help PNE out of a goalkeeping crisis, and he jumped at the chance.

Although Steve only got to be substitute goalkeeper at Deepdale he loved every minute of his short stay, especially the atmosphere of the Torquay game. He was confident before the game even though PNE were 2-0 down from the first leg, because no matter what people say about John Beck, he was a winner!

"Wembley was another wonderful experience" says Steve "obviously the result didn't go our way but the tremendous following Preston took down really made it a day to remember."

Steve has his own big game coming up soon when his team Bamber Bridge entertain Halifax Town in the FA Trophy. I'm sure we all wish him and his team-mates the best of luck, you never know another Wembley visit be on for him.

BYGONE DAYS

With Mike Payne

Five Years Ago:
1989-90

It was Birmingham City away on December 16th 1989 and yet another inglorious defeat, this time 3-1. Before the Brum scored, Adrian Hughes had a fine header saved by Martin Thomas and Steve Harper saw his shot cleared from the line. But once Mark Yates put the home side ahead in the 2nd minute that was it. Terrible marking allowed Bailey a simple goal straight after the break and Birmingham rubbed in their superiority with a third by John Frain on 59 minutes. Preston had their best spell in the last 20 minutes and they played some neat football at times. But all was lost by this time although Mark Patterson did pull once back with a penalty after a handball offence.

Harper was the man of the match for Preston but winning that award in an away game does not take too much when you play for North End!

PNE: Kelly, Williams, Bennett, Atkins, Flynn, Hughes, Rathbone, Ellis, Swann, Shaw, Harper. Subs: Patterson for Hughes and Mooney for Swann.

Ten Years Ago:
1984-85

December 15th 1984 and a home draw with Brentford was the reward for Deepdale's lowest ever crowd at the time of 2,809. A terrible start gave Brentford the lead after just two minutes. Teenage goalkeeper Glen Campbell came for a cross, missed it and left Gary Roberts with the simplest of tasks to score. The rest of the first half was instantly forgettable and from a North End point of view was awful. But after the break Preston played much better and after 48 minutes substitute Nigel Greenwood came on and started to make progress. Midweek signing Simon Gibson marked his debut with a golden goal on 75 minutes. Willie Naughton sent over a terrible corner and Gibson met it with a bullet header which gave goalkeeper Swinburne no chance. The goal lifted Preston but they couldn't quite snatch a winner they deserved.

PNE: Campbell, Farrelly, McAteer, Twentyman, Gibson, Clark, Kelly, Gray, Johnson, Naughton, Hunter. Sub. Greenwood for Hunter.

Twenty Years Ago:
1974-75

Another vital win was achieved on December 21st 1974 when Preston beat Port Vale here by a single goal. In a tough, uncompromising match which produced 42 free kicks, five bookings and a send off, goal chances were rare. Defences were very much on top and it took until the 27th minute for Preston to have their first shot, a Bobby Charlton special which John Connaughton saved. That was one of the few high spots of the first-half and after the break the play continued in the same vein. Tony Morley went close and then Port Vale had a period of pressure but no really clear chance to score. In the end it was, predictably, a disputed goal which settled the match. John Bird latched on to the ball just inside the penalty area and scored his third goal of the season. The referee consulted the linesman before awarding the goal and after fierce Vale protests Tommy McLaren was sent off thus completing a miserable day for the visitors.

PNE: Tunks, Fielding, Burns, Stiles, Bird, Sadler, Lamb, Morley, Elwiss, Holden, Charlton. (See picture left)

PRESTON NORTH END INDEPENDENT SUPPORTERS ASSOCIATION

As Preston North End's most active supporters organisation, the ISA was only too willing to sponsor today's game. Indeed, over the last 3 years the ISA has ploughed all funds raised back into the Football Club. We are keen to support the Club whilst ensuring the views of supporters are considered by the Board when making decisions that affect us. We have campaigned for the removal of fences, including the Town End, for the Town End to be given to home fans, to keep prices low, better facilities for the disabled, better prices for children, the unemployed and students. We meet regularly with Police and County officials with regard to safety and we have worked hard to create a good atmosphere at all games. But most importantly, the ISA has given all supporters a voice that is listened to by the people who run the Club. The Board of directors and Club management regularly attend our meetings where any supporter can air his or her views.
The ISA membership is open to all supporters and costs only £2. For details of the next meeting, watch the local press.

Football wins the Pools every Saturday

Every time you enter Littlewoods, Vernons and Zetters Pools or Littlewoods Spot the Ball you are helping the game at all levels. The Football Trust administers funds from the Pools, helping clubs to improve safety and comfort.

The Trust receives some £37 million every year, all of it coming directly or indirectly from Littlewoods, Vernons and Zetters Pools and Littlewoods Spot the Ball.

Football also receives £8 million a year for the use of fixtures on coupons and Littlewoods, the game's biggest benefactor, is the first sponsor of the FA Cup.

Up and down the country, clubs are building new grounds, stands, seating and roofing. All depend on the support of the Football Trust and on the success of the football pools.

PAPER TALK

Hands up if you managed to stay awake until after midnight the other Sunday to hear old sour puss Graham Kelly call out "Preston North End or Walsall versus Leeds United."

Daft beggars! Most of us had dropped off with boredom and Boddingtons in the chair by then, or shuffled off to bed muttering "It was never like this, on Monday dinner they used to do it live on the radio."

What on earth were the FA thinking about that night? Imagine letting the BBC hijack a great footballing institution like the draw for the FA Cup and stick it on when 90 per cent of the population were dead to the world.

Mind you, considering their record on starving the masses of "live" Premiership and Cup soccer [-] Sky still only reaches a fraction of the great British public [-] is it really such a surprise after all?

But, fear not, help could be at hand from sponsors Littlewoods Pools. Miffed in the extreme at those dosey devils in Shepherds Bush, the company that has pumped huge sums of cash into the competition has lodged an official protest.

When the pools firm agreed to spend #14m of mine and your stake money on becoming the first ever sponsors of the world's greatest club knockout, they probably

didn't realise just what a shower they were getting involved with.

Well they certainly know now!

In addition to allowing Match of the Day to hold on until the wee small hours in a desperate attempt to boost their late night audience, the FA then staged what can only be described as a complete fiasco with the draw itself.

I mean, imagine mucking up something as simple as pulling numbers out of a bag. Talk about a balls up! Perhaps they, like some of us, had consumed too much ale to function properly as they hung around waiting.

Leicester City were drawn out twice. Their names appeared twice on the screen and the normally slick Des Lynam didn't even spot the cock-up before finally closing the programmes to a wilting audience of under a million.

A sad night all round. But no-one was sadder than the man from Littlewoods. He has now demanded a say in future episodes and, judging by the apologies which have been spewing from both Lancaster Gate and Television Centre, he will probably get it.

It is unlikely to be that much of an issue for the rest of the competition this season because, now that the big clubs are involved, the Beeb will do the draw after their Sunday afternoon "live" game. The first example of that will be on January 8th immediately after the Newcastle v Blackburn tie.

Why we can't still have it on radio at 12.30 on a Monday afternoon is still beyond me. That way the dream could last a bit longer for the giantkillers before they learn they have been drawn away at Darlington or Northampton.

And what about the bungling old buffers who perform the ritual? Isn't it time they were pensioned of and replaced by a celebrity or two? We don't need Pele and Kim Basinger pulling golden orbs out of giant brandy glasses. Just someone who knows what day it is ..... or night!

EMERGENCY EVACUATION PROCEDURES

In the event of an emergency at Deepdale requiring evacuation of the ground in part or whole, spectators are requested to remain where they are and listen for announcements over the public address system.

ALL EMERGENCY ANNOUNCEMENTS WILL BE PRECEDED WITH A CHIME.

The announcements may direct spectators in a specified area of the ground and require evacuation through exit gates to the outside of the ground or through perimeter exit gates onto the pitch.

Club Stewards and Police Officers will assist in directing and assisting spectators to the safest locations.

If requested to vacate a specified area of the ground spectators should do so ass calmly and quickly as they can to assist in a safe and speedy evacuation.

Spectators who arrive at the ground by private transport should not park in front of any entrance or exit gate and follow the directions given by car park attendants in allowing an access corridor for emergency vehicles. In addition spectators are requested not to try and move their vehicles from the Club car park in an emergency as this is likely to hinder the access of emergency vehicles and contribute to congestion outside the ground.

Your assistance in this matter is greatly appreciated.

PRESTON NORTH END v BARNET
1964 - 65 F.A.Cup 3rd Round 3 - 2 Away
1994 - 95 Division 3 1 - 2 Away

We first met amateur Barnet in the 3rd Round of the F.A.Cup on January 9th 1964, North End, Wembley finalists the previous season were lucky to win this one. We started well with goals in the second minute by Howard Kendall and 5 minutes from Brian Godfrey, the man of the match. Barnet fought back to equalise with goals from Rigg 46 minutes and Whyte after 53 minutes. Terry Casey conceded an own goal after 78 minutes to give North End victory 3 - 2. The crowd was 10,861.

North End : Kelly, Ross, Smith, Kendall, Singleton, Davidson, Wilson, Godfrey, Dawson, Spavin and Holden.

Barnet : Barr, Warman, Voyce, Picking, Roach, Casey, Whyte, Brimacombe, Figg, Harding and Finch.

That season (1964 - 65), Barnet were champions of the Athenian League, with North End 12th in Division Two.

The next meeting, also our last, was this season on August 27th at Barnet. 2,441 saw North End take the lead with a Sale goal after 50 minutes. Barnet came back to win 2 - 1 with goals from Freedman (58 minutes) and Hodges (73 minutes). "PNE Ghost Story, Players have that haunted look again", said the Lancashire Evening Post. It was a disappointing performance.

North End : Richardson, Fensome, Fleming, Whalley, Hicks, Kidd, Ainsworth, Cartwright, Trebble (sub Sale), Conroy (sub Raynor) and Bryson. (unused sub Vaughan).

Barnet : Phillips, McDonald, Gale, Hoddle, Walker, Primus, Tomlinson, Freedman, Hodges, Cooper and Wilson. (unused subs Scott, Alexander and Newell).

NEXT AT DEEPDALE - ROCHDALE

During the summer manager Dave Sutton signed five new players, including former Preston forward Dave Thompson. Early form was very promising with a 2-0 win over Mansfield on October 1st lifting Rochdale to fourth place in the division. Unfortunately since then it has been all down hill as they have not won in the league since then and have only gained three points from their last eight games, conceeding 20 goals in the process. During that period manager Dave Sutton was even forced to fax all football league clubs for help in providing decent defensive players! Obviously this did not help and as a result Sutten resigned three weeks ago and Mick Docherty was appointed in a caretaker note, with two of the three points gained coming in his first two games in charge.

On the player side Rochdale have two other former Preston players in the Sean Reid and Steve Doyle, the latter not currently playing in the first team. It is interesting to note that even though they are struggling, Rochdale have managed 26 goals in the league so far, with 10 being scored by Steve Whitehall who is probably their most consistent player this season.

DAVID LEE

Why do you drink at all when you're driving?

You know 'just the one' sometimes leads to more. When your friend gives you another, you're so weak willed you take it. And then he offers you another and tells you you'll be OK. You take it because you haven't got a mind of your own. You'd rather risk being done for drink driving than look a lightweight in front of your friends. But they're not going to get banned for up to one year or have to pay a fine of up to five grand. You are. And you're gutted because you only meant to have one drink. Shame. If you're driving don't even have one, or you may live to regret it. Issued by The Portman Group.

New boss Gary Peters and David Moyes who is expected to be one of his coaches were in the dugout to take charge of the side. Stuart Rimmer, the Chester striker who has been rumoured of a possible transfer to North End many times over the past few years, finally arrived at Deepdale on a months loan,led the attack alongside Richard Lucas. Paul Kerr the well built stocky Port Vale midfield man was on trial despite being offered terms at Wycombe Wanderers until the end of the season. He took up a position in the middle of the park.
The strong wind which had arrived just in time for the kick-off didn't help the quality of the football for the spectators, this was soon in evidence when City took an early lead with a freak goal, Ryan Kidd was unable to clear a ball as it blew awkwardly away from him, Scott Thomas got possession and his shot-cum-centre from the right (I don't think even he knew which it was), was carried by the wind into the far top corner of the net past the outstretched hand of the helpless Lee Bamber.
Preston's chances were few and far between. Magee knocked a ball down the centre for Rimmer but keeper Margetson was first there to clear. Goalscorer,Thomas, needed treatment after a crunching Kidd tackle, the North End defender finding Thomas a real handful. City were having the better of this first period, they had just that little bit more control in the poor conditions and North End had to thank Paul Kerr for clearing a Michael Vonk header off the line from a Thomas corner. Kevin Magee made a strong run down the left, he found Rimmer, the on-loan striker was out of luck when he hit the crossbar, half-time came with the visitors deserving their slender lead.
As we re-started the wind got stronger blowing straight into our Video Box and the heavens opened, down came the hailstones and we all got a good drenching, including Brian Ellis who crouched behind us for shelter.
City keeper Margetson was penalised for allegedly handling a back-pass and from the free-kick on the edge of the six yard box, a Magee header was blocked and Whalley's effort kicked off the line, as for the first time in the game the visitors came under any real pressure.
Paul Kerr was having a satisfactory game, he put Rimmer through and his shot beat Margetson but was wide. The "Blues", brought on ex-Preston striker Steve Finney for John Sharpe as the rain continued in full force.
Preston were soon to withdraw Greg Challender to make way for Lee Isaac, who played up front with Stuart Rimmer, Richard Lucas dropping into midfield. It was Lucas who came nearest to equalising when the City custodian tipped his shot over to protect their lead.
City hit back and Scott Thomas, who had been a menace to North End all night hit the Preston upright the ball rebounding on to Lee Bamber's back and out for a corner. The visitors steadied things down at the end to claim the points , but Preston had the lions share of the attacking in the second half and only for that freak goal would have earned a point.
Not one of the best performances by any means but on the plus side Kevin Magee looked like he might be finding his form at last, he looked sharper and was getting his crosses over

better, Paul Kerr played well enough in midfield, Stuart Rimmer had a reasonable match but needs better support than he got in this match if he is to be a success. We need to start scoring goals again as they have dried up at the moment.

PNE YOUTH

Our Youths have been going through a busy period of late, being involved in two Cups:- "The F.A." and "Lancashire Youth Cup" Competition - by co-incidence we were drawn against our neighbours Blackpool in both, and to "cap-it-all', our League fixture in between these Cup-ties was against - you've guessed it! Blackpool at home! The equation brought 3 games in 7 days against the seasiders. For this weeks programme I have included the first two games reports, whilst the third one will be featured in the programme for the Boxing Day game v Rochdale. Writing about Boxing Day reminded me that to-day's game will be the last before Christmas Day, so I would like to take this opportunity to wish all the readers of the youth notes a Happy Christmas.

Thanks for reading about and supporting our youth team.
John Draper.

LANCASHIRE F.A. YOUTH CUP - 1st Round Replay
Tuesday 29th November 1994
Preston N. E. Youths - 1
Blackpool Youths - 0
H T : 1 - 0 Attendance = 377
TEAMS:
Preston Youths : Lucas: Stewart, Taylor, McKenna, Corcoran, Hayton, McCrone, Borwick (Capt), Calligan, Potts, Kilbane (K).
Substitutes : Lawlor for McCrone (63rd min), Barnes (Not used).

Blackpool Youths : Hall: Ward (Capt), Hills, Smith, Howard, Shaw, Carroll, Gawthorpe, Purvis, Capocci, Williams.
Substitutes : Vickers for Gawthorpe (67th min), Wilson.

Plenty of action from both sides made this an entertaining game which North End should have won by more goals than the one by Paul McCrone (35th min). Paul scored after Colin Potts had created himself acres of room by dribbling down the left and into the goal area past several Blackpool players, before releasing the ball. It was one of those games with plenty of goalmouth action but no more goals to show for all North End's hard work. Kevin Kilbane was having an outstanding game on the left-wing, creating most of the opportunity.
Over all the first half was pretty even but in the second period North End Youths dominated the game, but were thwarted by some good saves by Lee Hall in the seasiders goals. Captain Chris Borwick's shot at goal (78th min), just skimmed the top of the post and Kevin Kilbane had a good effort, before Blackpool with barely minutes left of play , forced themselves forward for a last chance attack. Fingers were crossed and heartbeats increased, for if they had equalised it would have gone straight to a penalty shoot-out, (which I am sure nobody wanted). Anyway thank goodness the game ended with North End going through to the 2nd Round or Semi-Final? For which to date of writing the opponents were unknown.

Bookings were - Damian Corcoran (24th min) - two footed tackle.
Richard Shaw (Blackpool), (52nd min) - Trip.
Tony Lawlor (75th min) - Foul
Chris Borwick (84th min) - Foul

Substitutes:- Williams and Purvis replaced Carroll and Ward - Double substitution.

This game v Blackpool Youths marked the half way stage of the clubs Lancashire League fixtures, it was also the second of three consecutive meetings of the two teams within 7 days.
Saturday morning brought rain, but by kick-off time (11.00am) it had cleared up and we were having to shield our eyes against the sun. To our dismay in the first 15 minutes Blackpool dominated, our lads being half asleep! conceded two sloppy goals, due to slack marking at the back, both goals coming from the right with the North End defence static and square, the scorers being Shaw (5th min) and Gawthorpe (14 mins).
One of North End Youths biggest

asset this season is character, they showed this by turning the game round. By half-time a goal had been pulled back through Colin Potts (40th min) shooting home after Kevin Kilbane's shot hit the cross bar, but to be honest, North End should have been in the lead by the whistle, shots hitting the post several times and some good saves by Hall in the seasider goal denied this. If North End could carry on where they left off in the first period it would not take long to draw level. The equaliser came about from a John Calligan goal (57th min), when he poached the ball from a re-bound off the goalkeeper who failed to hold a Kevin Magee shot. The lead was gained by a 66th minute goal from Kevin Kilbane, who scored from the right-hand side of the goals after Kevin Magee centred from the left-wing, 3 - 2 to North End !

Kevin Magee was roasting the seasider's left-hand side of their defence, I honestly thought Blackpool Youths were dead and buried !, but they also showed character hitting the North End bar, before scoring an 85th minute equaliser. It came about after the defence failed to clear the ball, conceding a stupid free-kick on the edge of the goal area. A rasping shot by Ian Vickers flew into the North End net - 3 - 3.
Could North End overcome this setback? Their never say die attitude came to the fore again - constant assault on the Blackpool goal brought its reward. The winner coming in the 90th minute by Colin Potts, after John Calligan had missed an 89th minute sitter.
In summing up a fully deserved win for North End Youths after a bad start. Kevin Magee was in magic form on a pitch holding a lot of water, Colin Potts again was in outstanding form up front.

NORTH END ON TOUR

Preston's 5th game in 13 days on the long, arduous South African tour was one which Tommy Thompson, the tour captain, excelled in, according to the match reports from the Cape Town newspapers.
Playing at the Hartleyvale ground against Western Province before a crowd of around 10,000 North End gave a magnificent display of "on-the-carpet" football, playing at top speed, combined with a tremendous shooting ability they gave the local goalkeeping hero, big Albert Uytenbogaardt, an afternoon he was not likely to forget.
PNE's 6-1 win was mainly attributed to England International Thompson who rose to heights of almost unbelievable brilliance as he teamed up with midfield general, Jimmy Baxter, who himself was ably supported by Frank O'Farrell and young Gordon Milne.
After an exciting 20 minutes opening spell when it looked as if this Cape team would really extend the English visitors, Preston's "Bank of England" defence clamped down on the locals attack with big Harry Mattinson, playing in his first game of the tour, confidently sealing up with the middle of the park.
Province did all they could to weather the customary opening onslaught of the Preston forwards with Uytenbogaardt flying his big frame to his right to keep out a fierce shot from Thompson who proved to be a thorn in Western Provinces side.
Although Preston scored six goals by way of Thompson, Baxter (2), Hatsell, Taylor and Mayers the match reports seemed more interested in the one that North End conceded, their first of the tour. Melvin Beyer, Provinces outside-left latched onto a pass from his opposite winger, Wally Douglass and surprised Fred Else with a shot from full 25 yards. Fred Else was the only goalkeeper PNE took on the tour and if he was to get injured it was revealed that full-back and former captain Joe Walton would be the stand in goalkeeper. Joe said recently that "I would have played anywhere to get a game".

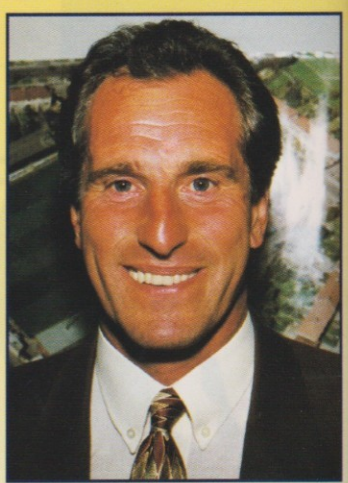
Willacy with Ray Clemence

INTRODUCTION

Ray Clemence kept goal for England 61 times, won 5 Championship, 3 European Cup, 2 UEFA Cup, one FA Cup and one League Cup winners' medal. In other words, he's been there and done it all before - except he's yet to win anything as a manager. After a spell in charge of Spurs, the current Barnet boss spoke to Gavin Willacy.

After a year in charge of Barnet FC, Ray Clemence has seen his men fall into the Third Division before bouncing back with a thrilling run of form which has taken them into a Play Off place.
But how difficult was it for the former England number one to adjust to life in the bottom of the Football League after 27 years at the top as a player and manager?
"It's been no problem for me because I started my career at Scunthorpe years ago," recalls Clemence. "I've seen life at this level before and I appreciate the problems faced by the players and the restrictions managers are under. I'm not shocked by it because I can see most of it coming."
His unsuccessful spell at Spurs was cut short by the Venables/Sugar scandal that swept White Hart Lane, and he stepped straight from the frying pan into the fire at Barnet, who were drowning in a financial and footballing mire at the time.
"Football's in my blood." says Clemence. "I knew the Barnet chairman Mr Buchler very well and that is vital at any club. We were thinking along the same lines and I knew we could work well together here. We might not win every game but we'll certainly play some entertaining stuff along the way."
Clemence claims that The Bees financial nightmares are over and that the only way the club is going is up.
This is a new regime now at Underhill. Granted we're working on a very tight budget but we're in a sound financial state," says Clemence, who's son Stephen is currently impressing all and sundry in Tottenham's youth team.
"We're passed the days of having to sell to survive. A lot of people thought that we'd go straight down to the Conference after last season, but now we're improving in every department."

Instead, after finishing last season well adrift at the foot of Division Two, The Bees are now well-placed for a shot at the Play-offs.
"This is a completely different side from last year," says the former Liverpool ace. "I kept the better senior pros, got rid of the rest and brought a load of young talented lads in. We've got a solid base to work on now and to be honest, I've been surprised how quickly we've hit it off."
As for Clemence's own illustrious career, he picks the honour of captaining England at Wembley against Brazil and winning the European Cup Final with Liverpool in 1977.
"That was the first time we'd won it and it sticks in my memory as the culmination of an unbelievable season. We'd won the Championship, lost the FA Cup Final and won the European Cup within ten days," says Ray.
Back in 1994, amidst the recent managerial merry-go-round it came as no surprise that Clemence's name would be linked with some of the many posts available - and some that weren't. But he puts it down to natural reactions from club chairman.
"There are only two ways it can go as a manager. You'll either get bigger and better or you'll get the sack," he says.
"Some Premiership chairman seemed to panic with four getting relegated, but it's that time of year when they're looking for someone to blame if things aren't going too well. I've experienced every emotion in football but I worked hard to



get to the highest level of the game and twice as hard to stay there. I've earned everything I've had in this game."

PNEISA FAN-SCENE

Another home game and lets hope for another 3 points. Its amazing how 3 points pushes you up the division. From weeks of confusion there may just be a light at the end of the tunnel.
Last Saturdays fixture versus Hereford saw the ISA sponsoring its first game of the season and as always we were only too pleased to put our funds directly back into the club. This sponsorship added to our earlier kit sponsorship of Greame Atkinson and Ray Sharp. The Man of the Match Award was given to Ian Bryson.
Last Thursday saw over 250 members welcome Gary Peters to a hastily arranged meeting at London Road Labour Club. The atmosphere was somewhat subdued from previous meetings however Garys honesty openess and willingness not only to answer but explain full all points raised was reassuring and those present will I feel have left the meeting backing our new manager. As an association and as a football club we have come a long way since the days of silence between club and fans. To emphasise this point ISA officials met with Phil Critchley at a recent reserve fixture. Our new general manager again was and will be pleased to meet supporters and discuss any problems, complaints or even positive suggestions from us the fans. Regular meetings will follow from this together with officials of the OSC and so once again please use the ISA to have your say.

Thanks for reading and as always lets get behind the whites.

The following was taken from The Lincoln City Fancine 'The Deranged Ferret'.
Who says that atmosphere isn't important!
Come on you whites.

Upon entering the dusty wooden stands at the ancient relic that is Deepdale, we were met by a cracking atmosphere from well over 8,000 Prestonians celebrating a return to grass after years of the 'Plastic Preil'.
Apparently the club intends to move to a new ground designed on that of Genoa/Sampdoria. This is probably the sole reason why a safety certificate is still granted, but would be no more than their fans deserve. They are by far and away the most enthusiastic in our division.
